BARBOURVILLE, KY., FRIDAY, JUNE 25, 1920

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

SPLENDID PUBLIC TRIBUTE TO MEMORY OF REV. T. J. BELCHER

Recently Drowned In Cumberland River

The funeral of the Rev. Thos. J. Belcher, pastor of the Christian Church and Principal of Barbourville Schools, was held at the Christian Church on Sunday last, Rev. H. O. Shearer, of Corbin being in charge of the ceremonies.

After the choir had sung the beautiful hymn, "When I Survey the Wondrous Cross," prayer was offered by Rev. R. G. Shearer and Dr. R. L. Creal read as the Scripture lesson the story of Christ at the tomb of Lazarus. Messages of condolence were then read.

Dr. Minton, of the Presbyterian Church spoke for the Ministerial Association of the city. He touched on the mystery of the Providence of God in calling away one like the departed brother, whose life was in its vigor and full of usefulness to the community, while he himself, with fifty years of the ministry behind him was left. He characterized Rev. Belcher as a faithful, Christian gentleman.

The other ministers were then asked to give expression to any outstanding feature in the character of their late confrere which might be helpful to those present.

Dr. R. L. Creal mentioned his natural gifts and cultivated intellect, his strong belief and faith in God's Word, his characteristic charity and pleasant disposition.

Dr. E. T. Franklin said his character was one of true Christianity, gentleness and sincerity. He was 100 per cent sincere.

Dr. A. H. Davis spoke of the shepherd heart of Brother Belcher and stated that for many years his life, voice and spirit will be manifested abroad. He leaves no richer heritage to his wife and family than that he lived and died in Jesus Christ.

Hon. Charles Finley, of Williamsburg said we are given to decorating heroes of war and paying to them our glowing tributes of speech. "I sometimes hope the time will come when we shall throw flowers to the heroes of peace; heroes of every day life. Some day, some man gifted with the expression of Lincoln will write of these. Of such was Thomas Jefferson Belcher."

The speaker said there was no better American citizen or one who loved the flag or his land more than did the deceased, nor who better exemplified his faith in his every day life. He believed that "righteousness exalts a people," and he lived it. Humble, unassuming, modest (and we loved him for it) he lived among us at Williamsburg for six years and when he left, he did not have an enemy.

He was as gentle and kindly as a woman yet firm as a rock where principle was concerned. He was honest with himself and made his life square with his conscience. The

grace of his pleasant countenance always brought sunshine and cheer. His love and service of God helped him to wipe worry off the map.

His loyal, crystal like nature was reflected in the beauty of his sanctified domestic life. He leaves a beloved wife and three beautiful children. Not only physically has he left his mark on the world, but many other children will create his image anew and thru his influence will be born their moral and spiritual offspring. He has gone down with the battle cry in his throat and his sword in his hand and his life so full no man can say just what he has done.

Rev. R. G. Shearer then read the last thing Mr. Belcher wrote on the morning of his death which was his Sunday announcements, handed in to the Advocate office and of these the speaker made texts for several lessons.

On behalf of Mrs. Belcher the speaker expressed gratitude for the love and care which had left nothing undone for her comfort and consolation.

The Masonic Lodge, of which Mr. Belcher was a member, then took charge of the interment which was in the beautiful City Cemetery. Owing to the heavy rainfall, few citizens were able to attend these last rites.

A message from Rev. J. J. Clontz, secretary to Rt. Rev. Lewis W. Burton, Bishop of the Episcopal Diocese of Lexington, was received by Fred Burman, expressing the deep sympathy of Bishop Burton and himself for the family and the Christian Church.

The staff of the Advocate wishes to add its affectionate tribute to the memory of a friend. Rev. Mr. Belcher, when he had a little spare time on his hands, liked, as he expressed it, "to loaf in a printing office." We shall greatly miss the charm of his personality and friendship. He was a man of broad views, his religion was deeply rooted but without cant and his judgment on men and things was characterized by a kindly charity. He had a fine sense of humor which is one of life's greatest gifts, enabling one as it does, to laugh away seeming troubles. Life brings us into contact with all sorts of men, men big in spirit and men small in spirit, men poor while rich, and rich while poor and in this category our friend may be classed among the first and the best.

May the Everlasting Arms receive him and may he find some there he loved while here.

The appreciation of our citizens is extended to Superintendent Smith of the L. & N. R. for holding the track clear while T. H. Haden, Jr. rushed over the pulmotor on a railroad motor cycle in twenty-three minutes. There was not a thing left

Hipple Concert Company a Chautauqua Feature

Earl H. Hipple, "Wizard of the Xylophone," is manager of the Hipple Concert company, which will be heard here at the Redpath Chautauqua. Each of the other members of the company is thoroughly experienced in concert work.

The company's program is both classical and popular in character and is so universal in scope that it pleases the entire audience.

The Hipple company has earned a splendid reputation in the entertainment field, and enthusiastic words of commendation have been written concerning this organization by people in all parts of the United States.

MOUNTAIN LODGE
No. 187, F. & A. M.
Called Communication, Sunday
June 20th 1920

THOMAS J. BELCHER, a member of Williamsburg Lodge No. 490 but a resident of Barbourville, Kentucky, for the past year, was called from labor to refreshment on Thursday, June 17th, 1920.

A minister of the Gospel of Christ; a preceptor of the youth of this community; a leader and a friend of men, Brother Belcher had, in the short space of twelve long months, by his Christian character, his stand for civic righteousness, his devotion to his duty, and his high ideals of right thinking and right living so impressed himself upon the life and in the hearts of this community, that he has left with us a memorial that age cannot wither nor time destroy.

RESOLVED, that a copy of this testimonial and expression of our feeling be spread at large upon the records of this Lodge; that a copy be furnished the Mountain Advocate and Masonic Home Journal, Williamsburg Lodge No. 490 and a copy delivered to Mrs. Belcher.

C. P. Kennedy, A. C. Vaughn, J. E. Faubkner, T. J. Moore, Committee

undone which might help to save Mr. Belcher's life.

Rev. Thomas Jefferson Belcher was born August 9, 1878, near McMinnville, Tenn. He was educated in Milligan College and the University of Tennessee. He filled pastorates at Ashville, N. C., Knoxville, Tenn., and was six years at Williamsburg prior to coming to Barbourville about a year ago. He met death by drowning in the Cumberland River June 17th, 1920. He is survived by a wife, three sons, an aged mother, a sister and a brother to mourn his departure.

KAUFMAN-ROADS

A simple, impressive home wedding was solemnized at the home of Col. and Mrs. W. H. Hughes Thursday morning, at 10 o'clock, between Mr. T. B. Kaufman and Miss Marion Roads, of Tampa, Florida, by Rev. A. H. Davis, of the Methodist Church.

The bride looked lovely in an afternoon dress, of brown, complete even to the slippers of the same color. The cozy room with plants and June flowers, made a charming setting.

The groom came to Barbourville about two months ago and has a responsible position with the C. & M. R. It. He has made many warm friends who will wish him and his bride much happiness.

There were a number of guests including Mr. and Mrs. J. A. Kaufman and two daughters, Marjorie and Allene, of Tampa, Florida; Col.

CIVIC LEAGUE

The Civic League met Thursday afternoon, June 17th, at the home of Mrs. J. D. Black. Only a short business session was held at which Mrs. R. W. Cole, as chairman of the committee to call on the City Council, made a very favorable report stating that this committee had been courteously received and given an attentive hearing after which each member of the Council expressed himself as heartily in favor of prohibiting side tent shows and gambling devices from carnivals and the Mayor asked that the City Attorney draw such an ordinance.

Mrs. R. W. Cole has accepted the chairmanship of the County Committee for the campaign against the high cost of living and pledge cards asking that each woman buy only necessities and report any case of profiteering that might come under her notice, were circulated and signed. Attention was called to the fact that the National Federation of Club Women was then in session and as a member of a federated club, each lady was asked to keep up with the proceedings of that convention.

A committee on resolutions was appointed with Mrs. R. L. Creal as chairman Mrs. J. D. Black and Mrs. Ballard, to draw up an expression of sympathy in the bereavement of one of our members, Mrs. T. J. Belcher.

Miss Gertrude Black has been appointed chairman for the Eleventh District of the Historical Committee and had made this a special history day in that she had requested all who had relics and things of interest more than fifty years old to put them on exhibition. There were thirty-five contributors and one hundred and twenty-five articles representing Norway, France, Switzerland, Mexico, Canada, but especially our own county, there being many articles of special local interest on account of the personal touch. These articles were on display in the spacious upper hall and music was furnished by a music box that has been in the family of Mrs. Ballard for over one hundred years.

All the decorations were "old timey" consisting of bouquets of red white and blue flowers arranged in old vases of quaint design and elaborately cut paper doilies.

Ice cream and cake were served in the dining room by Mrs. Black, Miss Gertrude and Mrs. H. H. Owens

and Mrs. W. R. Hughes; Mr. and Mrs. C. F. Heidrick; Mr. and Mrs. Ben Herndon; Mr. and Mrs. M. L. Snaveley; Mr. and Mrs. R. P. Black; Mr. and Mrs. Dan Herndon; Misses Drucilla Tye; Roberts Cole; Rita Roas and Messrs. A. M. Blue and T. J. O'Hara.

Mr. and Mrs. Kauffman will be at home for the present with Hughes.

PULMOTOR ORDERED FOR BARBOURVILLE

Life Guard To Watch Swimmers
After the deplorable accident to Brother Belcher, a public fund was started to purchase a pulmotor or lungmotor for Barbourville, so in a case of such need in the future, the instrument will be here ready for use in emergency. Appended is a list of the citizens who have subscribed for the purchase of this instrument which has been ordered and should be received this week. It will be installed in some place accessible to the public at any and all times. Drs. Logan and Tye have offered to give free instruction on the use of the pulmotor so a number of people will understand its operation and know how to use it in case a doctor cannot be located quickly. This instrument will be subject to call in all cases of emergency, such as drowning, electric shock or suffocation of any kind where respiration must be started.

Besides having the lungmotor at hand and ready for use, arrangements are being made to place a life guard on the river from 9 a. m. until 7:30 p. m. during the rest of the swimming season which is about three months. The City Council will be asked to give this guard police powers to control the swimmers and assist to prevent accidents.

Swimming is good exercise and it should be made safe instead of stopped entirely.

Those who have subscribed and not paid will please send check to Dr. Tye, Dr. Logan or Miss Nola E. Minton, or they can deposit same in the First National Bank to the "Lungmotor Fund."

Many good citizens who would like to donate to this fund have not yet been solicited, and they can save time by sending in their checks with out waiting for the solicitors to see them personally. The lungmotor will cost about \$250 F. O. B. Barbourville, complete with six oxygen tanks and the Life Guard will cost \$60.00 per month.

List of subscriptions to purchase a Lungmotor for Barbourville, and to provide a Life Guard for three months on the River:

ANNOUNCEMENT OF THE FACULTY OF H. H. I.

It gives us pleasure to announce that a number of excellent teachers for Barbourville Baptist Institute have been secured for the coming year. Rev. L. E. Curry, of Blueville, Ky., comes as president, and his wife as Matron of Hrowy Hall. Mr. C. E. Hanneff, of Corbin, will have charge of the Business Department. He is also a Band Master and will organize and lead the B. B. I. Band. His wife will have part of the grade work. Mrs. Myrtle Rambo, of Winchester, will be one of the teachers. Mrs. Rambo was formerly Miss Myrtle Waters, and taught at B. B. I. when the school was quite young, during the lifetime of Dr. G. W. Perryman, who was such a great friend to the school. Mrs. Rambo is a sister to Mrs. Perryman, and will be welcomed back to the school and the church so gladly by her many friends.

There are other vacancies to be filled and new teachers to be secured. These will all be announced from time to time.

The Home Mission Board has increased its gifts to Barbourville greatly for the coming year.

Some plans have been drawn for enlarging the Administration Building and greatly improving the entire plant. The plans are in the hands of Rev. R. L. Creal who is attending the Conference of Mountain School Teachers at Ridgecrest, N. C. this week. They will be gone over by Dr. A. E. Brown, Superintendent of Mountain Schools, and work started as soon as possible.

Mr. and Mrs. Bannell will soon move on the field; Rev. and Mrs. Curry will arrive the last week in July.

Mrs. Robert W. Cole has accepted the chairmanship of the County for the Department of Justice for the High Cost of Living Campaign. Any wishing to sign the pledge card can find them at Mrs. Cole's who will be glad to give any further information.

If anyone chances to know the whereabouts of the sheet spread as a signal at the landing place of the aeroplane will please inform the Advocate?

Drs. J. G. Tye and Leslie Logan took away the tonsils of Mrs. Josh Shupe this week.

FREE ATTRACTION WITH BIG HUN BUG CIRCUS

As a special free attraction
(weather permitting) the Great dare
Devil Doherty has been engaged to
make his famous ride for life just
before the doors open at each per-
formance in front of the Big Tents.
Dare Devil Doherty is known the
world over as the only man who
rides down a steep incline and leaps
a fifty foot gap lighting on a plat-
form and riding to safety. This
young fellow started Broadway in
New York last year by making his
famous ride down a 200 foot incline
truck and leaping in midair across
Broadway and lighting on a platform
on a roof on the opposite side of the
street, over the heads of countless
thousands who, far below in the
street, stood with anxiety and breath-
less for fear he would fall to the
ground below, but Doherty made it
with a smile. This act is considered
the greatest of all thrillers, and the
Hun Bug Circus Company have se-
cured insurance policy on the life of
Dare Devil Doherty for \$100,000.
Doherty will make his famous ride
at night just before the performance
weather permitting.

Don't forget—July 2nd, Barbour-
ville, Ky. This act will appear at
the joint picnic at the Fair Grounds
Saturday afternoon, July 3rd.

BARBOURVILLE NEWS

This Case Has a Hint For Many
Barbourville Readers

A Barbourville woman has used
Doan's Kidney Pills.

She has found them as represent-
ed.

She wishes her neighbors to know.
She publicly recommends them.

No need to look further for a test-
ed kidney remedy.

The proof of merit is here and
can be investigated.

Profit by the statement of Mrs.
Bertha Steele, Pitzer Street.

She says: "My back was so weak
I could hardly do anything. My an-
kles and limbs became swollen and
the action of my kidneys was irregu-
lar. I used Doan's Kidney Pills,
procured from the Costellow Drug
Co. and they helped me relieving
the backaches and other symptoms
of kidney trouble."

Price 60c at all dealers. Don't

TAKE CARE OF THE SHEEP

The Veterinary Department of the
College of Agriculture, estimates the
annual loss of sheep caused by grub
in the head, at \$250,000. This is
approximately 2 per cent of the
sheep in the state killed annually by
an insect. This loss can very large-
ly be eliminated by simply dipping
the sheep's nose in tar. This opera-
tion should be performed from the
middle to the last of June as that is
the time when the gad-fly make their
appearance and do much damage.
Since there is so much need for
wool and since Kentucky is encour-
aging the keeping and raising of
sheep, the farmers should give this
matter immediate attention and
make plans to treat each individual
of their flock.

Rev. J. F. and Miss Anna Ruggles
are making out the tax lists which
is some big job.

BIG PICNIC

JULY 3rd.

At Fair Ground

BARBOURVILLE

By Modern Woodmen of America and the American Legion

The Modern Woodmen of America and The American Legion, both live-
wire Organizations, will see to it that the Great and Glorious Day is so
full of fun that you will be glad you are alive and an American.
Come and get your Laugh Machinery oiled. Young Boys and Girls,
Middle aged Boys and Girls, Old Boys and Girls, will All be there.

Music by Band

Bring a little change so you can treat your Best Girl. Forget your
troubles and your neighbors' faults and be a Kid again. You live only
once here. Set the table for the hogs and chickens and let 'em get their
own dinners for once. They will appreciate you better next day. Bring
the Babies and show your Patriotism to the World — 100 per cent pure.

THE FLAG OF

1776

"LONG MAY IT WAVE"

THE FLAG OF

1920

This is the first big Public Picnic in Barbourville for a number of
years and the Modern Woodmen and the American Legion are leaving
no stone unturned to make it the best that has ever been put on and to
establish a Standard for the future.

BASE BALL GAME at 3 p. m. Barbourville against Packard

Let's all get behind these two splendid Organizations and help them
to bring the Crowds. Urge your neighbor to come and come yourself.
Don't forget the Date, July 3rd. And the Place — the Fair Grounds,
Barbourville, Kentucky, U. S. A.
P. S. — Everything to drink on the Grounds—from Pop to Ice Cream
Cocktails.
P. P. S. — There will be Speeches that will make you tingle with the
knowledge that you are the Son or Daughter of Uncle Sam.
We will meet you at the Gate.

HOW TO BECOME A NURSE

Any woman with intelligence and "motherly" instinct can learn to be a practical nurse and earn from fifteen to twenty-five dollars a week. If you cannot spend three years in a hospital or are past the hospital age, study a common-sense book, called "Nursing in the Home," by Lee H. Smith, M. D. This book is written in a way that is easy to comprehend. It will teach you how to recognize different diseases; how to take temperature; how to take care of fever patients; how to give bath; all about the sick room. It treats of burns and scalds, broken bones, bleeding from wounds (bandaging), drowning, fainting—almost every contingency is covered.

Many pages are devoted to Hygiene, Anatomy, Physiology and Medicine. It contains advice for nurses and tells how to care for infants. This 500-page book, bound in handsome red cloth, is worth \$2.50, but for a limited time can be secured by sending fifty cents to the publishers, World's Medical Co., 652 Washington Street, New York, N. Y. —Adv.

In our store, you can hear the phonograph that substituted for Anna Case—

and astonished all New York in the audacious "Dark-Scene" Test.

and then the LIGHTS went OUT

Read below what the New York newspapers said of the test. Remember—the marvelous instrument used in New York City was an exact duplicate of the original Official Laboratory Model, which cost Mr. Edison three million dollars in research work. We, too, have an exact duplicate of the famous three million dollar original. We guarantee that it is capable of sustaining all the astonishing tests made on March 10th, at Carnegie Hall, New York City.

Come in and hear this guaranteed Official Laboratory Model. Experience its marvelous realism for yourself. We give Mr. Edison's unique Realism Test.

The NEW EDISON

"A portion of the demonstration was even carried on without the lights, so that no one could see whether Miss Case's lips moved or not. It was all genuinely instructive, and the twinship between Miss Case's singing, and the reproduction thereof, proved so close as to be often indistinguishable."—New York Globe.

"When you see and hear Miss Case sing, you can scarcely believe that an art so essentially individual and personal as hers could ever be reproduced mechanically, yet the New Edison has succeeded to the point where the voice in the fluffy pink draperies and the voice in the mahogany box seemed one and the same."—New York Evening Mail.

"When the lights were lowered, it was impossible to tell when it was Anna Case, and when it was only her voice that was singing."—New York Evening Sun.

The "dark scene" test was positively sensational in its proof of the realism of the New Edison

Anna Case, the world-famed soprano, stood beside a dignified Chippendale cabinet. She started to sing. Her voice enthralled the audience with its colorful brilliance.

Suddenly the lights went out. Densest black swallowed stage, phonograph and singer.

When you come in, ask about our Budget Plan. It makes the dollar go farther—the New Edison came easier.

"The Phonograph with a Soul"

But Miss Case's voice went smoothly on. It rose to the very heights of its superb artistry.

Then, the lights flashed on! The audience gasped with astonishment. Case was gone! Her voice had been coming from the New Edison.

Under cover of the darkness, Miss Case had stolen from the platform, leaving the New Edison to continue her song alone. The audience never knew she had gone, till the lights went up.

The exact duplicate of this instrument is here in our store,—waiting to prove its perfect realism to you.

DARE DEVIL DOHERTY With Hum Bug Circus

The highest salary ever paid a free attraction is paid to DARE DEVIL DOHERTY with the HUM BUG CIRCUS COMPANY. This young man who defies death twice daily in front of the big tents on the Show Grounds just before each performance of the Circus, well deserves the large salary paid him for every time he climbs the long trail of death may be his last. On top of an elevated incline of several hundred feet stands Dare Devil Doherty, pausing for a second by his bicycle, he then mounts his machine, turns loose and at a terrific speed rides down the long incline of slat steps, then with eyes closed, he makes the leap of fifty feet thru space landing on another platform below, having completed the ride in a few seconds. You can see rider and machine float thru space and you hold your breath in awe expecting every second to see rider and machine crash to earth. The Circus Management advise that Doherty will only make his rides when weather permits; it cannot be done on rainy or very windy days, for to attempt it under good circumstances is dangerous enough, but Doherty's contract calls for two rides daily weather permitting and unless the weather conditions are extremely bad, Doherty will make his ride as scheduled with the Hum Bug Circus on July 2 at the show grounds at 7 P. M.

HORSE BADLY CUT BY FALL

Specialist's Prescription Prevents Complication

In telling of the accident to his horse, Mr. Luther Carman, of Valley Park, Mo., stated: "My horse fell down and cut his knees all up. I dressed them with Dr. LeGear's Antiseptic Healing Powder and they are healing fine. It is a wonderful remedy for healing sores on horses."

Mr. Carman is simply voicing the sentiments of hundreds of others who feel that having Dr. LeGear's personal prescriptions on hand at all times is nearly as good as having Dr. LeGear where they could reach him in a very few minutes. "Wounds and sores must be taken care of immediately. Get a can of Dr. LeGear's Antiseptic Healing Powder from your dealer. Dust on enough of it to cover the wound or sore. It forms a protection against insects and infection and promotes healthy healing. —Dr. L. D. LeGear Med. Co., St. Louis, Mo. Advertisement.

CANNON NEWS

A delegation of citizens of this community, including Ed Miracle, Andy Gibson, Will Fisher, W. D. Martin and others from Little Richmond, were before the Fiscal Court last session to urge the building of a road up our creek to Manchester, and it looks as if we will get a part of it at least. All the land holders along the proposed route have signified their willingness to donate a right of way except possibly two or three. It is hard indeed for the writer to understand how anyone can be damaged by a good road running thru his place even if it goes thru his yard or garden. It is a well known fact that the roads are impassable over this territory in the winter time and after rains at all times. We need more roads in our county who are looking beyond the immediate dollar. It is an unfortunate fact however, that there are still a few who can't see beyond the dollar. Let's all boost, none knock and try to get this road. We need it. The all business is quiet right at this time except that off well on the Messmore, one on the Miracle, one or two on the Morris, one on the Jackson and three on the Jones farms are being pumped and some of them at least are producing \$300 to \$500 worth of oil per month. A well being drilled on the Mignite and Patterson lease will possibly be finished this week.

Form crops are looking fine and fruit favorable. Our live coal operations are running steadily with prices high for their output but more coal could be produced except for shortage of cars.

Mrs. Ed Miracle returned recently from a visit to relatives in Ousley County. The son of Rev. Hingham has just completed a nice 7 or 8 room farm house for himself.

C. H. Hays is visiting relatives at Warren. Larkin Miller, of Barbourville, was here on business last week.

Some of J. S. Patterson's folks of Hi-Land Park were visitors of relatives here last Sunday.

"IT'S GRANDEST THING IN WORLD"

Gained Ten Pounds And Is Full Of Life And Energy Since Taking Taniae

"It was only three weeks ago that I began taking Taniae and already I have gained ten pounds and am now doing my housework for the first time in over a year," said Mrs. Florence Krause, 419 South Shelby St., Louisville, Ky.

"I had been a sufferer from stomach trouble for several years and last year I got so bad off I had to have an operation and it left me in a worse condition than ever. My nerves were so badly unstrung that any sudden noise would make me scream out and become almost hysterical. My stomach was upset, my appetite was the poorest it had ever been and I could not retain the little I did eat. I suffered terribly from nausea and had smothering spells so bad they would have to loosen my clothes and I would just have to gasp to keep breathing. My sleep was always restless and I had awful spells of neuralgia in my head I was too weak to do any of my house work, felt tired and fagged out all the time and lost nearly all interest in life.

"One of my neighbors told me of Taniae and I always will be thankful I took her advice and started taking it. Taniae is the greatest medicine on earth for I have taken only three bottles and already I am feeling better and stronger than I have in many years. I can hardly eat enough to satisfy my appetite, nothing ever hurts me and I am no longer bothered with those smothering spells. I have not had a sign of neuralgia since I began taking Taniae and my nerves are just as steady and strong as ever in my life. My sleep is sound and refreshing and life is now worth living. Taniae has given me health, happiness and strength, and I am glad to tell others in the hopes that they too, may be benefited by this wonderful medicine."

Taniae is sold in Barbourville by the Cut Rate Drug Co.; in Arden by J. G. Haskin; and in Perman by N. J. Faulkner & Co.
